HP Active Stylus

Writing, drawing, and navigation is easy and accurate with the thin tip and hovering capabilities of the HP Active Stylus. This intuitive digital pen flows smoothly over the surface of select HP touchscreen computing devices. With the magnetic snap design, you'll never leave home or office without it. No more fingerprints or smudges with precision control even through screen protectors.

Features and Benefits

- Eliminate fingerprints and smudges with the precision control of an active digital stylus. Write and draw as a pen, with the advantage of a convenient programmable button.
- For accuracy and comfort, switch from hovering a few millimeters away to tapping or writing on the screen with the programmable in-line button.
- No hole or clip to align. The magnetic snap designed stylus is conveniently portable and easily attaches to the metal frame or cover.
- The stylus is activated by pressing the button or touching the tip to the screen converting from sleep, hover or touch modes.
- Automatic sleep mode if not used for 1 minute.
